

- Important Resource Projects**
- Operating or under development shown in blue
  - Proposed shown in red
  - Care and maintenance or closed shown in purple
- Alumina refinery
  - Coal
  - Natural gas field
  - Heavy mineral sands - titanium bearing sands
  - Petrochemical processing plant
  - Major port handling facility
  - Major power station
  - Silicon smelter
  - Silica sand
  - Titanium pigment and synthetic rutile plants
  - Timber processing plant
  - Tantalum

- Major road
- Formed road
- Railway
- Railway reserve
- Local Government boundary
- Region boundary
- Gas pipeline
- Townsites
- Population more than 10000
- 1000 - 10000
- less than 1000
- Airport/Aerodrome
- River
- Lake (fresh)
- Lake (salt)
- Conservation estate (gazetted)
- A Arts and crafts
- C Cropping
- F Fishing
- G Grazing/dairy
- H Horticulture
- I Industry
- O Orchards
- P Timber plantations
- S Regional/Subregional centres
- T Timber processing
- V Viticulture

# SOUTH WEST REGION

## KEY FEATURES

Produced by the Geological Survey of Western Australia.  
Map product is to be used for broad based planning only.
